Dear Colleagues,

On behalf of members of International Advisory Board and members of Organising and Programme Committees, it is my great pleasure to invite you to participate on the

**17<sup>th</sup> Conference on High Temperature Materials Chemistry (HTMC XVII)**

The conference will be organised by the Institute of Inorganic Chemistry of the Slovak Academy of Sciences, and will be held from June 6<sup>th</sup> to 11<sup>th</sup> 2021 in Starý Smokovec, Slovakia (located in the High Tatra Mountains). Basic information can be found in the enclosed conference announcement as well as on our web page <https://17htmc.sav.sk/about-htmc/>.

Despite Covid-19 pandemic situation, we seek to do our best to prepare an attractive conference program. As an experienced researcher, you are doubtlessly aware that the conference organizers need to communicate and prepare program in advance. Thus in the case of your interest to participate on the XVII HTMC conference, we would be grateful if you could be so kind to use our Registration form or to contact us through our web site.

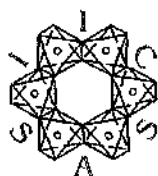

We would also appreciate if you could spread the information about the conference among your colleagues or friends dealing with high temperature materials chemistry.

Yours sincerely

Miroslav Boča  
Conference chair

SCOPE

The conference is well  
recognised among  
scientists from all around

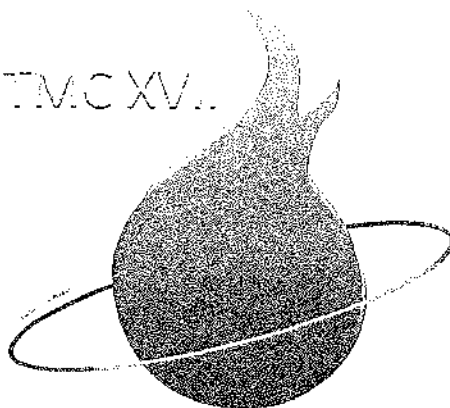

The meeting is to bring  
scientists from the fields of:

research,  
fundamental and applications,  
inorganic chemistry,  
organic chemistry,  
physical chemistry,  
solid state chemistry,  
planetary science,  
metallurgy.

EVERYBODY studying  
high temperature phenomena  
and liquid materials.
